

UP distilleries gear up to make sanitizers

DEEPA JAINANI Lucknow, March 24

AS THE DEMAND for hand sanitizers has surged and stores have put up signs of 'hand sanitiser not available' amid the outbreak of coronavirus, the Uttar Pradesh sugar and excise department has been working overtime to ease its norms so that more and more companies are able to manufacture the product.

excise department.

As many as 20 companies, mostly sugar distilleries, have applied for permission of licences and these firms would be manufacturing approximately 50,000 litre of hand sanitizers daily

centences to manufacture hand sanitizers. As per details obtained from the UP sugar and excise department, these 21 companies would be manufacturing approximately 50,000 litre of hand sanitizers daily.

Speaking to FE, principal secretary, excise and sugar, Sanjay Bhoosreddy said, when reports started coming in that overnight, the stock of hand sanitizers was getting exhausted and an acute scarcity of hand sanitizers was being reported by hospitals and the general public, with prices going up by 4 to 5 times of the normal MRP, the UP government thought of launching the initiative of roping in distilleries in UP to manufacture sanitizer.

Among those who have already started production are, Modi Bevon Products, popular for Revlon brand of cosmetics, which will be producing 4,000 litre of hand sanitiser in three shifts per day, and Balmampur Chini Mills, which is producing 5,000 litre per day.

RBI likely to allow banks to accept delayed loan repayments

THE RESERVE BANK is likely to allow banks to give relaxation to customers in paying their EMIs as the forced lockdown across sectors due to coronavirus pandemic

has impacted earnings severely, crippling repaying capacity of many businesses and individuals, sources said. "There has been a demand for this, it will require some

dispensation from the Reserve Bank actually. IBA has already discussed the issue with the RBI. This is under consideration," a bank official told PTI.

Steel ministry wants free movement of alloy, inputs

SURYA SARATHI RAY New Delhi, March 24

EVEN AS THE Centre and states battle Covid-19 with lockdowns and other steps to ensure social distancing, the Union steel ministry has urged state governments to issue suitable instructions to allow un-restricted inter-state movement of trucks carrying raw materials and finished steel in order to maintain an efficient supply chain.

ferred to in the letter include both integrated steel plants as well as induction furnace or electric arc furnace-based steel units. Movement of the raw material and finished products, as requested by the secretary, should be allowed passage both through rail and road as well as through waterways or sea routes.

"This (the letter) is reference to the recent restrictions imposed by several state governments on the operation of non-essential commercial establishments and movement of people, in order to prevent the spread of Covid-19. In this regard, it has come to the notice of this ministry that several steel plants across the country are facing problems with regard to entry of workers, supply of raw material and despatch of finished steel etc. This is likely to adversely affect not only the operations of these steel plants but also has the potential to damage their plant and machinery," he wrote.
